

# Payne Institute Fall Seminar Series

## John Putnam, CDPHE

**Regulations, Policy, and the Energy Transition**  
**2:00-3:15pm | September 19, 2019 |**  
**Alderson Hall, 230**

John Putnam serves as the director of environmental programs for Colorado Public Health and Environment. Prior to joining the department in 2019, he practiced as an environmental and transportation attorney for 25 years. He represented states, municipalities and private entities in Colorado and nationwide on a range of environmental issues under the Clean Air Act, National Environmental Policy Act, Clean Water Act and other laws.
