

# Payne Institute Fall Seminar Series

Andrew Spielman

Director of the Payne Institute Future of Oil and Gas Initiative, and  
COO Core Mountain Enterprises

## Energy and Natural Resources Law and Regulation

12:30-3:15pm | September 26, 2019 |  
Alderson Hall, 230

Andy Spielman is a nationally recognized energy, environment and natural resources attorney with three decades of public and private sector policy and legal experience. Andy currently serves dual roles as Chief Operating Officer and General Counsel of Core Mountain Enterprises. He is the founder and managing partner of Natural Resource Law, LLC.

Andy served as Chair of Colorado's Oil and Gas Conservation Commission. He also served for 11 years as Chair of the Regional Air Quality Council. Earlier in his career Andy served in policy positions at the White House and the US EPA and as US Senate staff.

As an attorney in private practice, Andy served as the Global Co-Head of the Energy and Natural Resources group at the international law firm of Hogan Lovells. He then served as worldwide Chair of the Energy, Environmental and Natural Resources group at WilmerHale.
